

# I Like to Make Words Rhyme

I like to make words rhyme.  
I do it all the time!

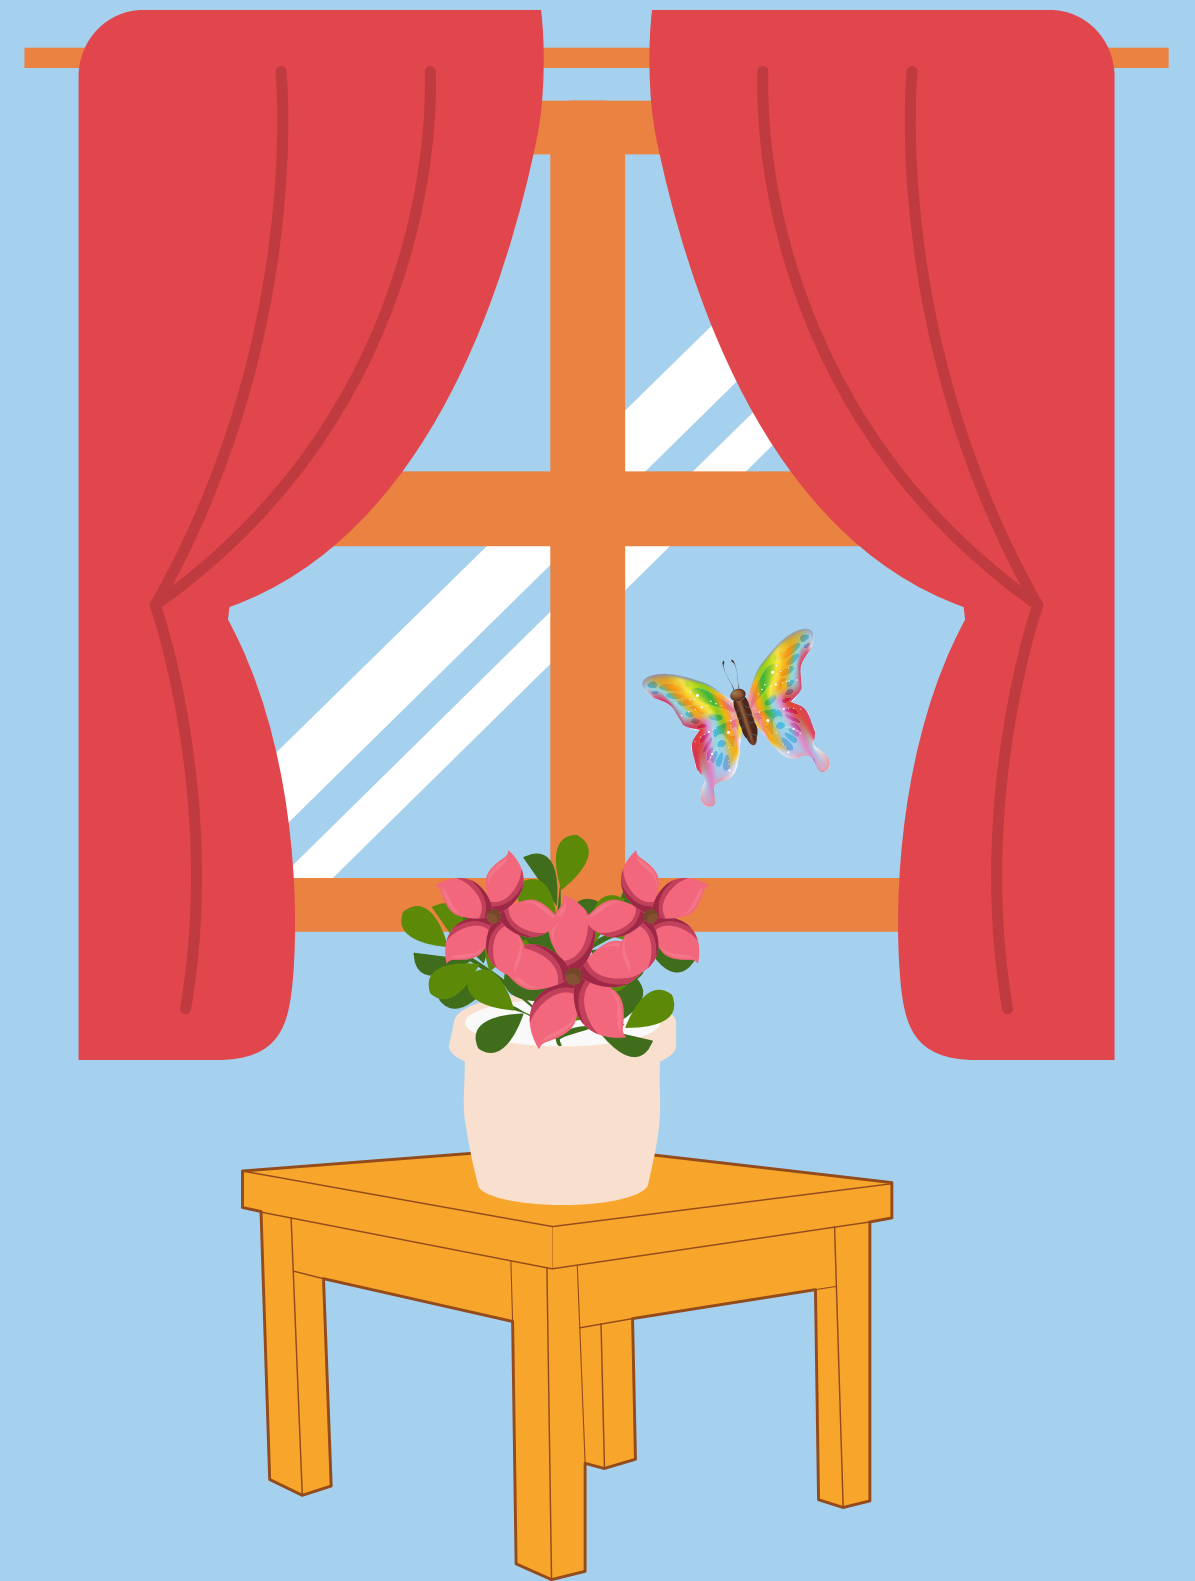

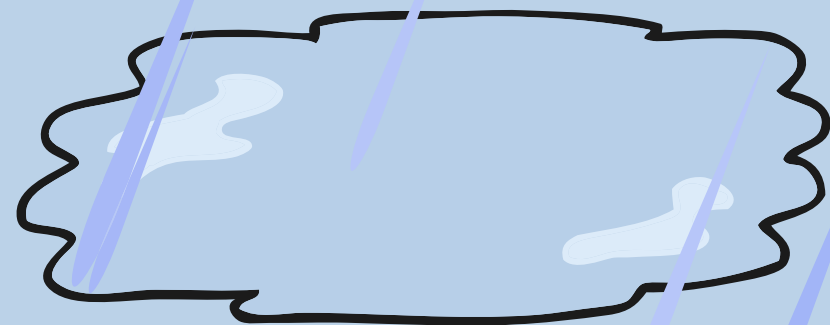

Almost every day  
I go outside to play.

But first, to see if there is rain  
I look outside my window pane.

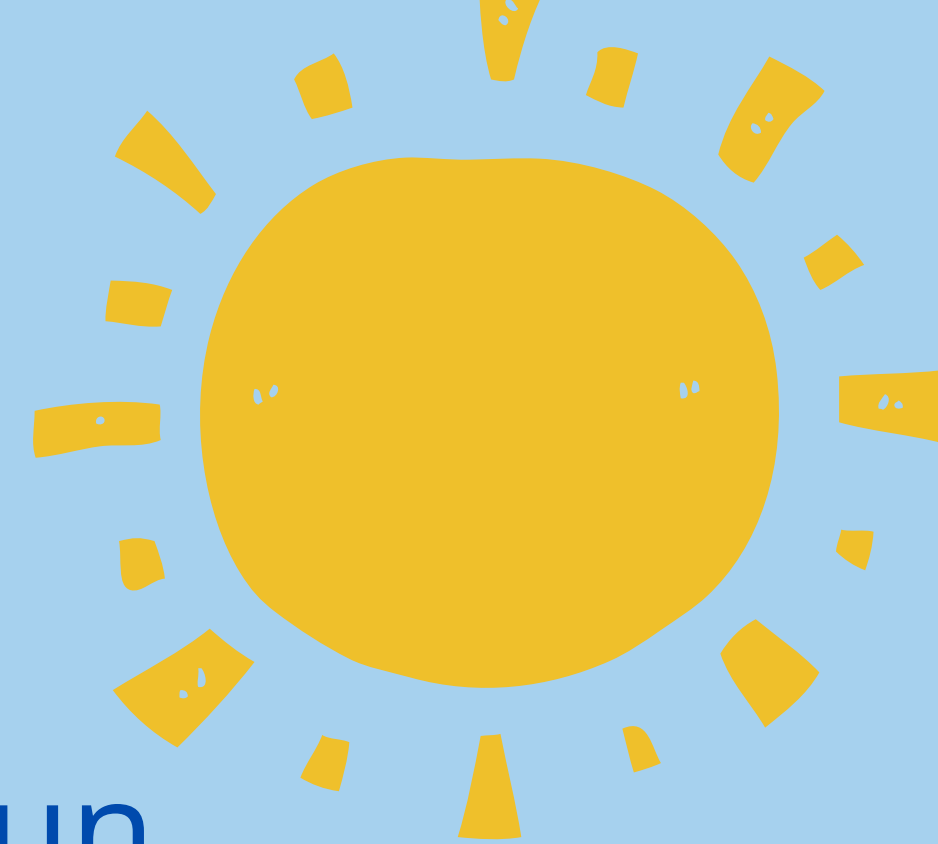

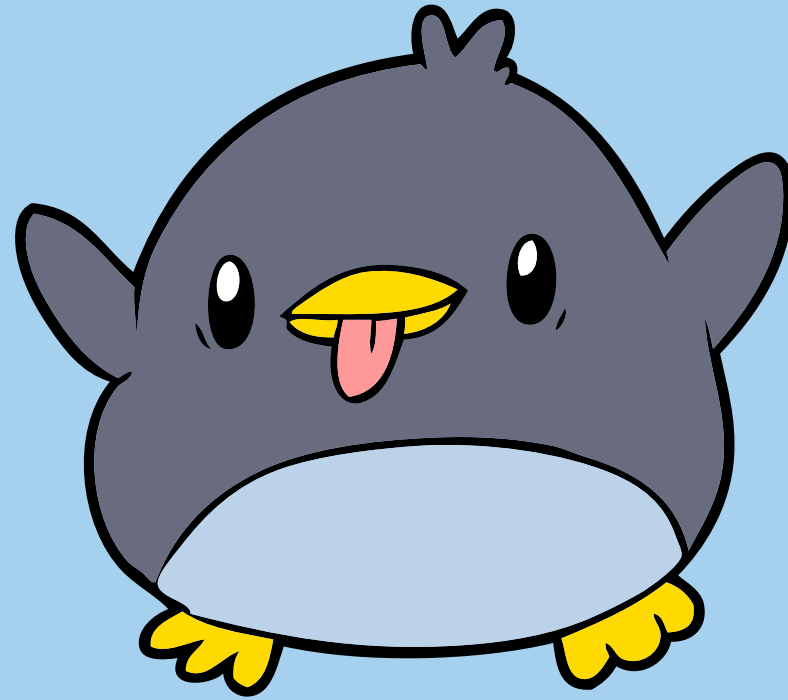

Rain would make me wet  
and also soak my pet.

When there is lots of sun  
I jump rope just for fun.

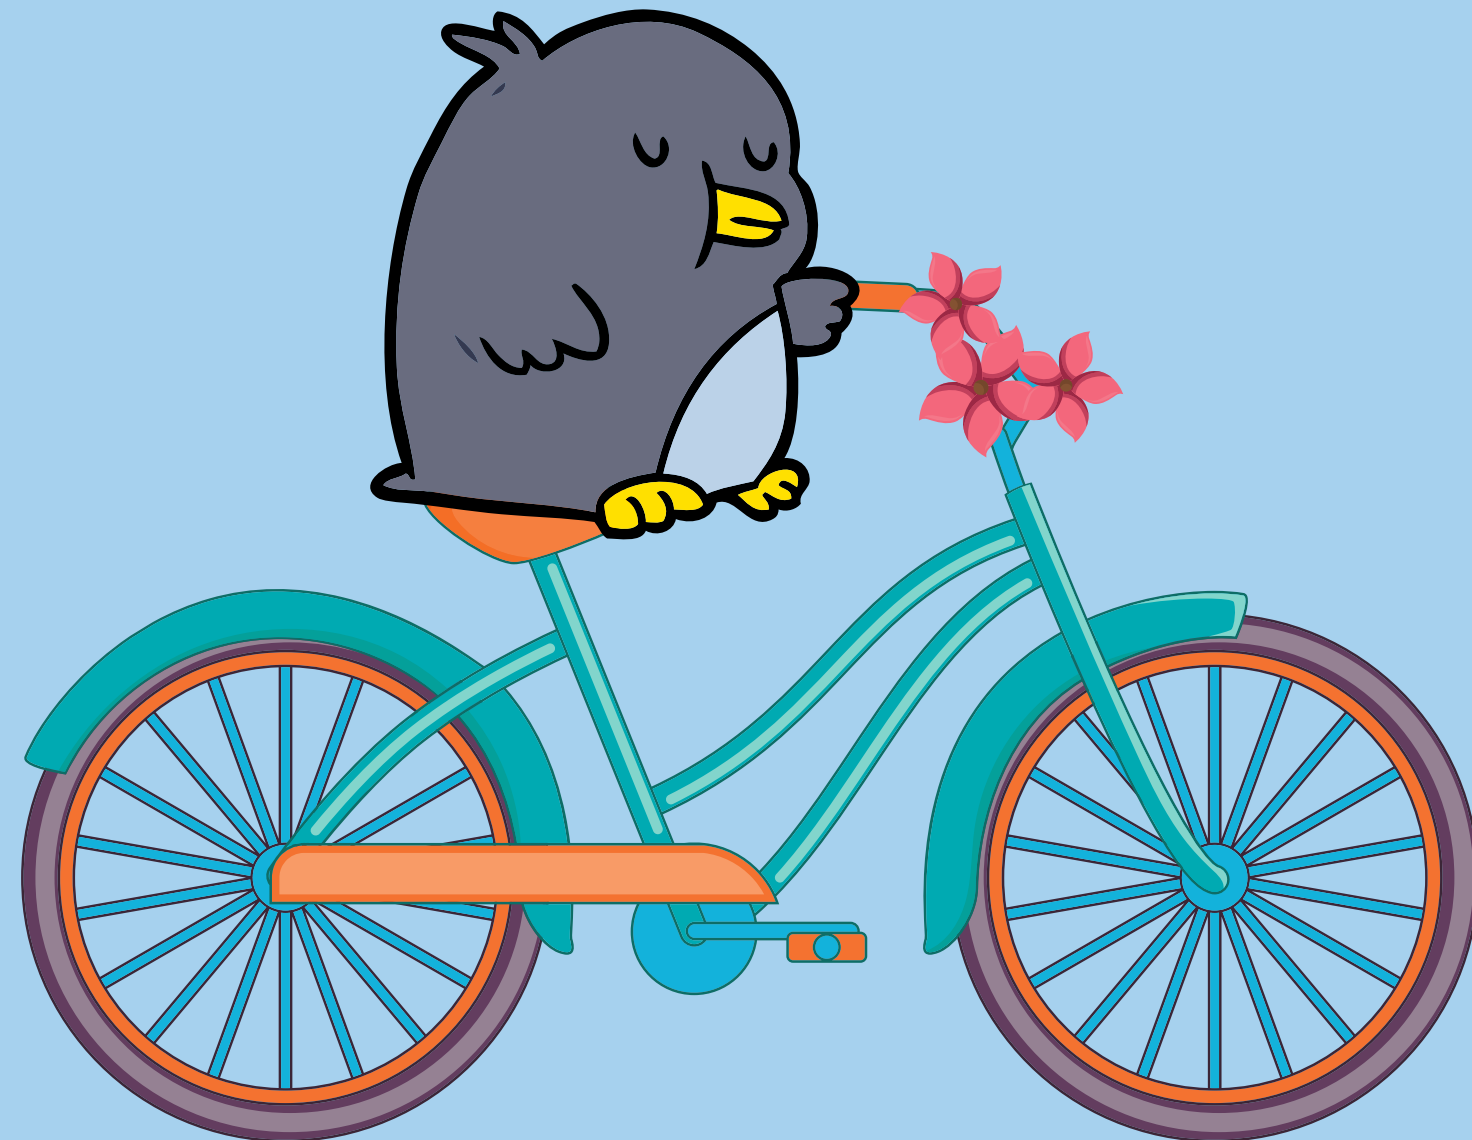

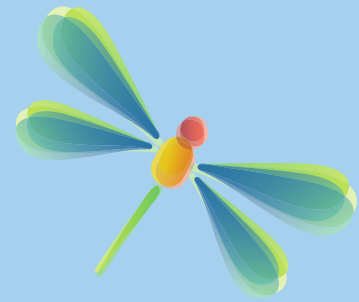

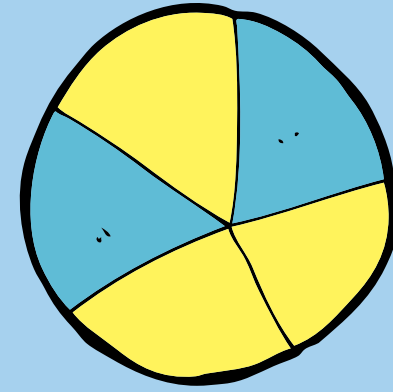

Can you hear the beat  
When I land upon my feet?

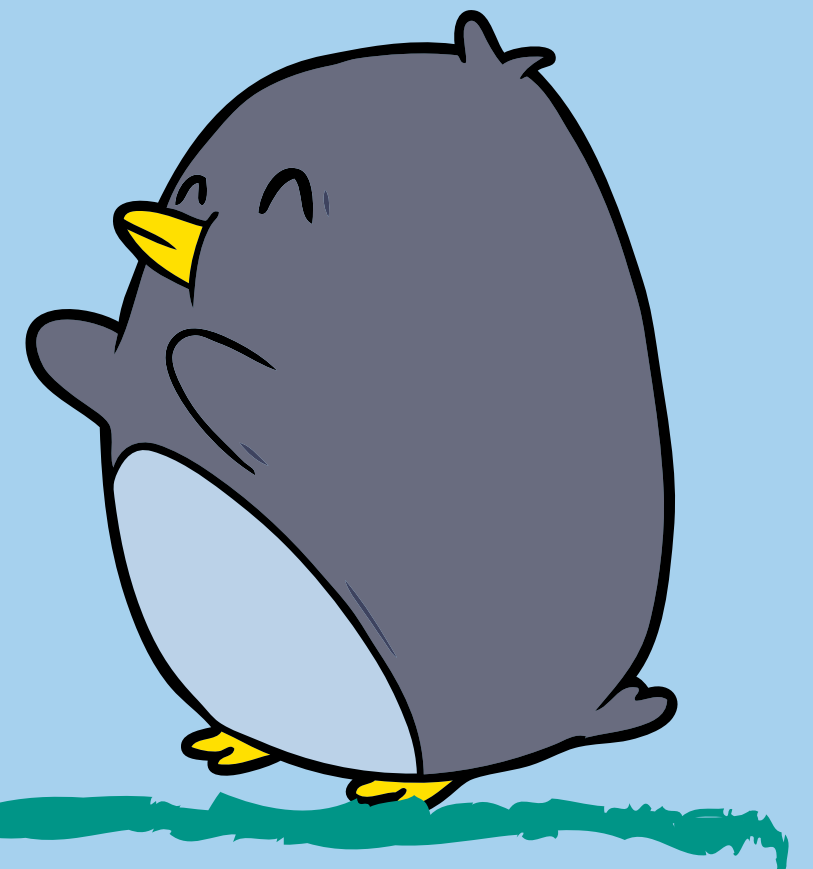

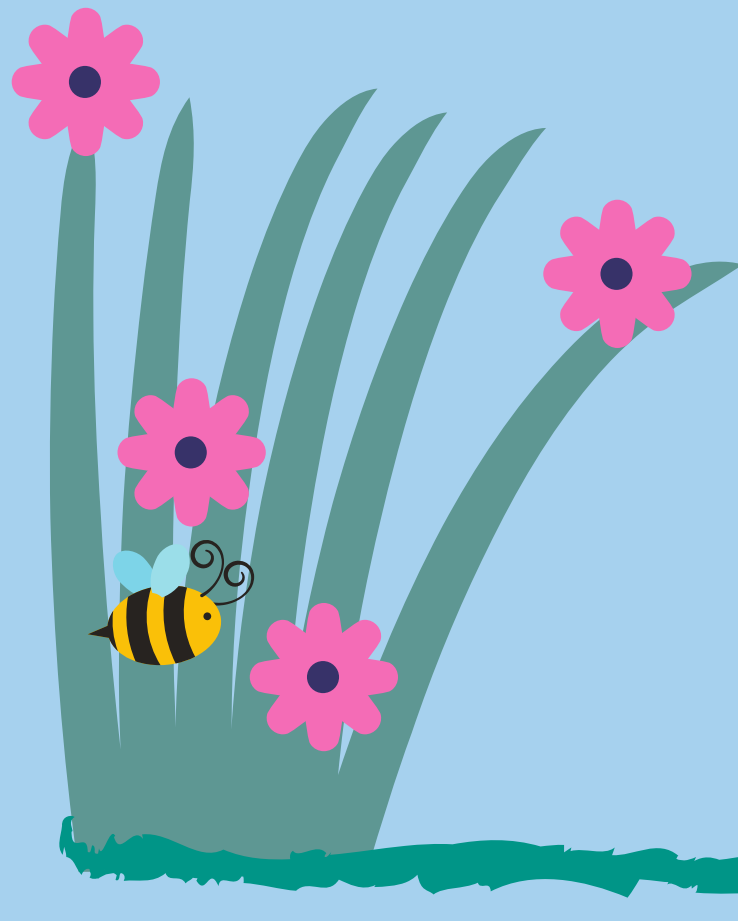

I like to go outside.  
I have a bike to ride!

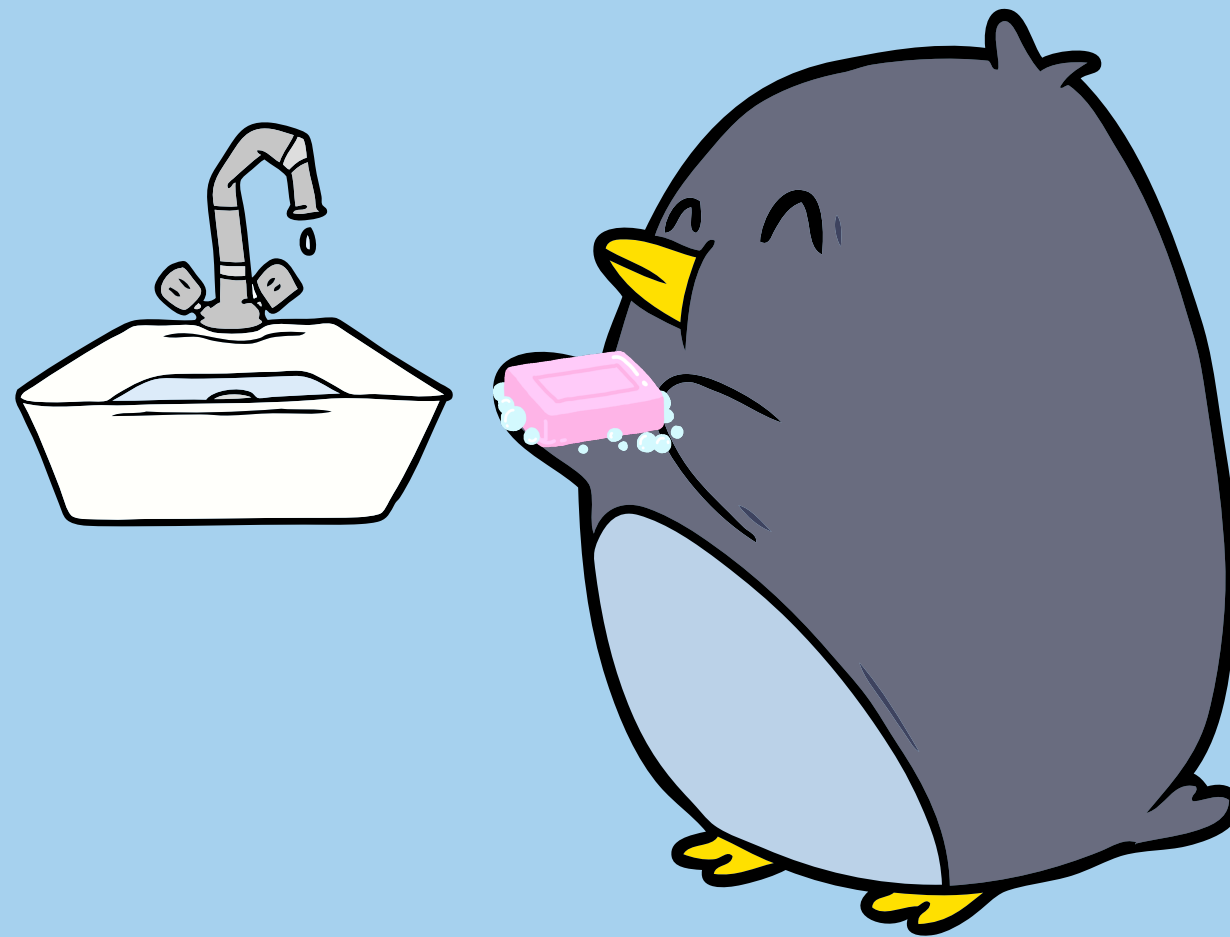

I can walk and toss a ball.  
I am careful not to fall.

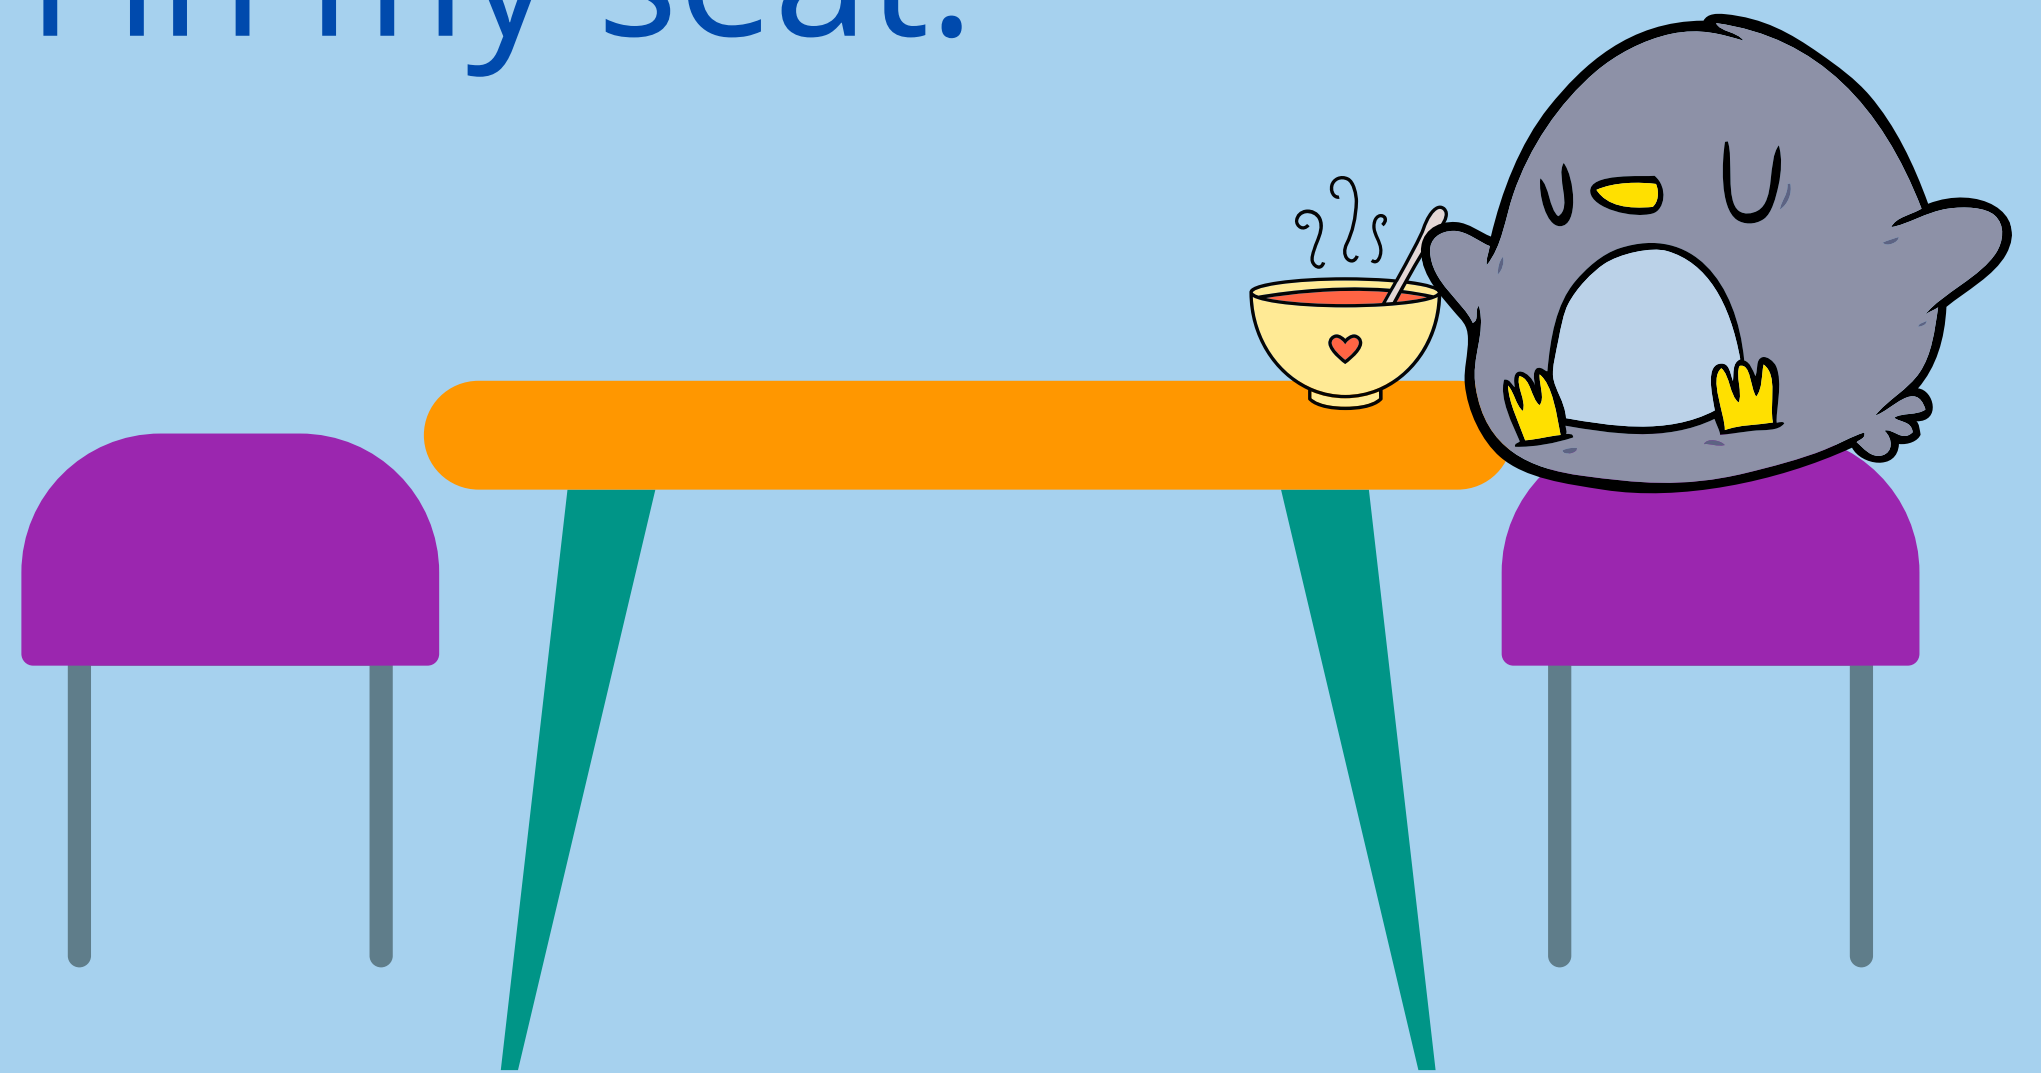

But when it's getting dark  
I go home from the park.

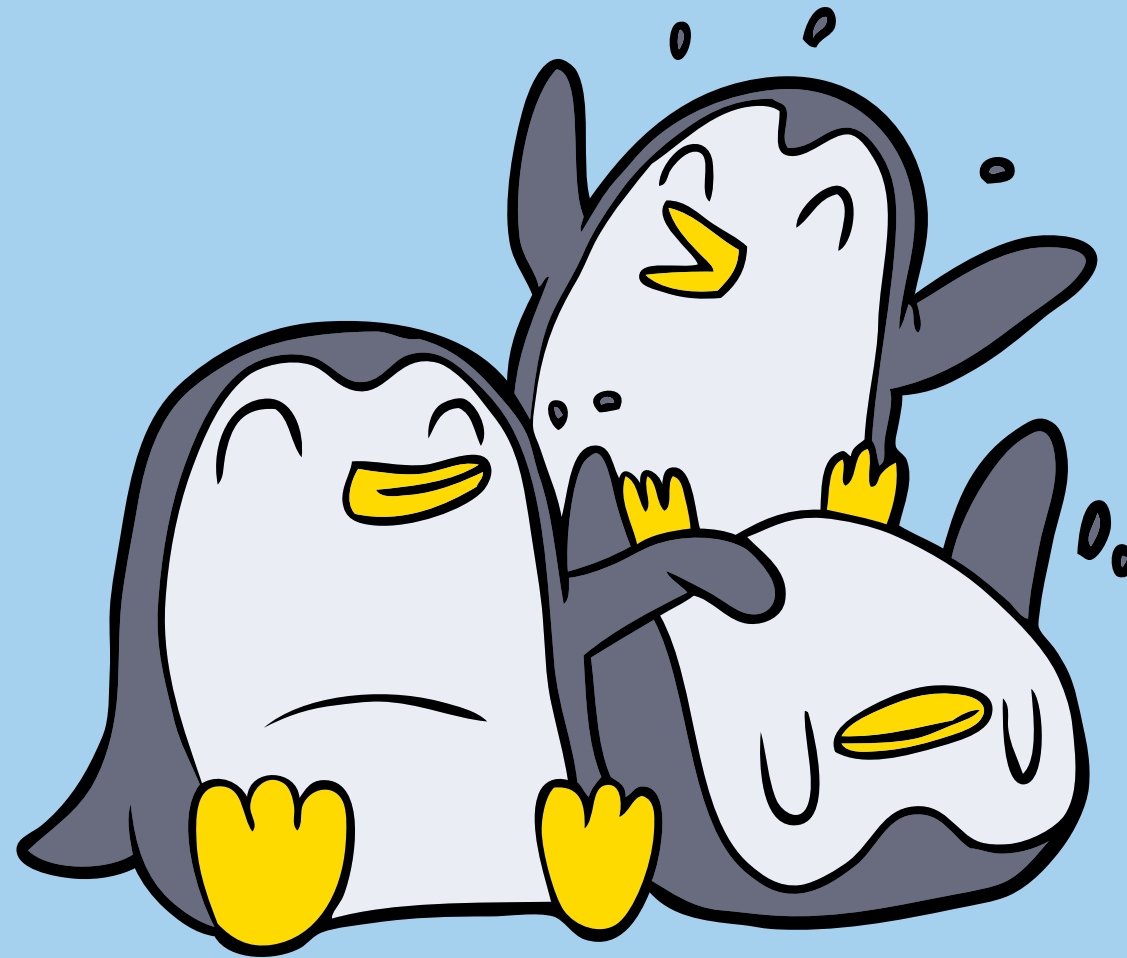

I wash my hands with soap.  
I'm smart! I'm not a dope!

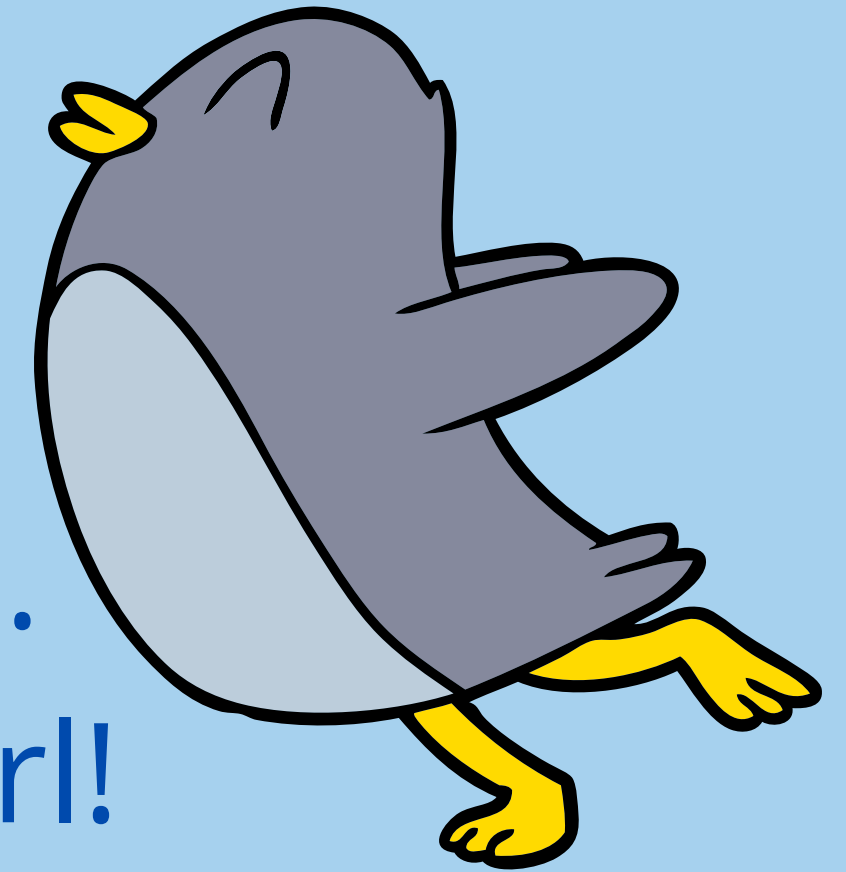

Then when it's time to eat  
I sit down in my seat.

I have a friend named Larry  
And another friend named Gary.

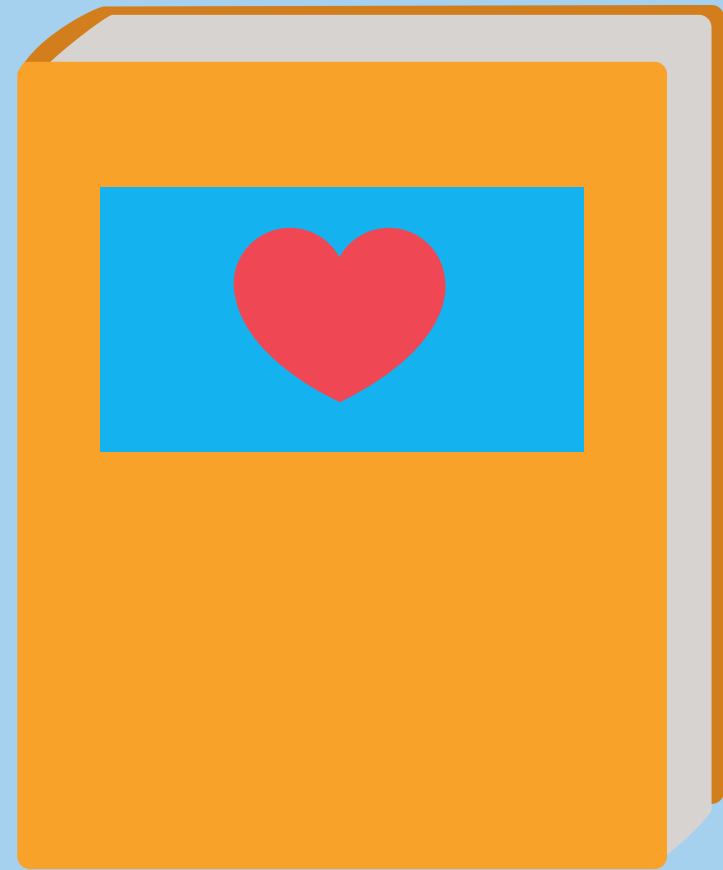

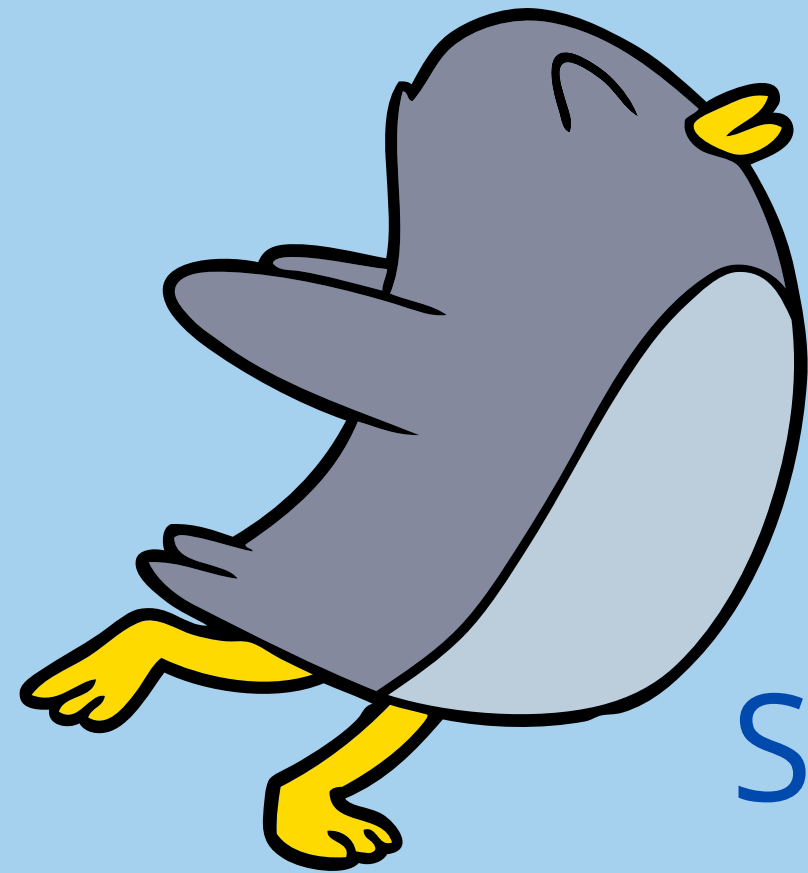

I know a kid named Pete  
But he's not very neat.

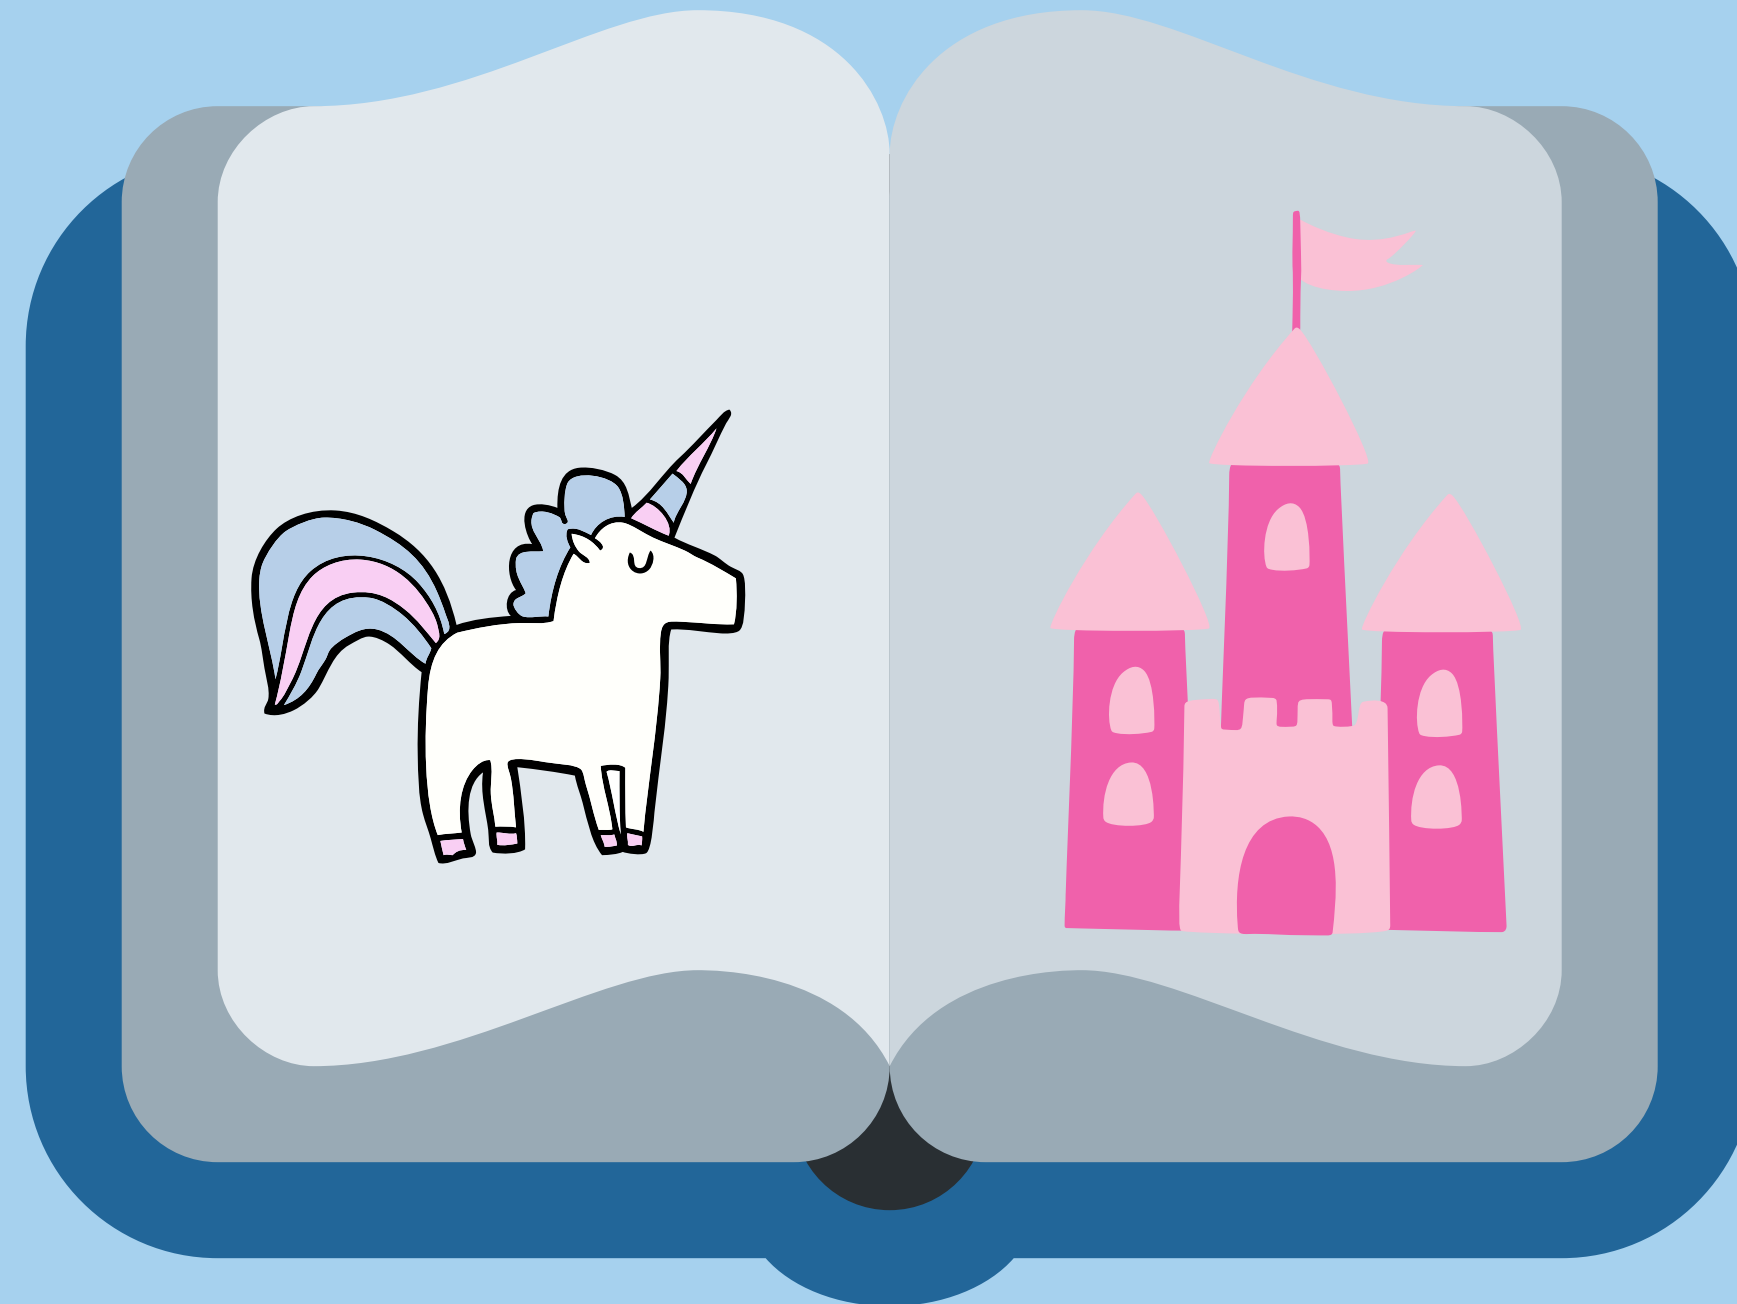

My best friend is a girl.  
We like to spin and whirl!

Her name is Lynette.  
She wears a pink barrette.

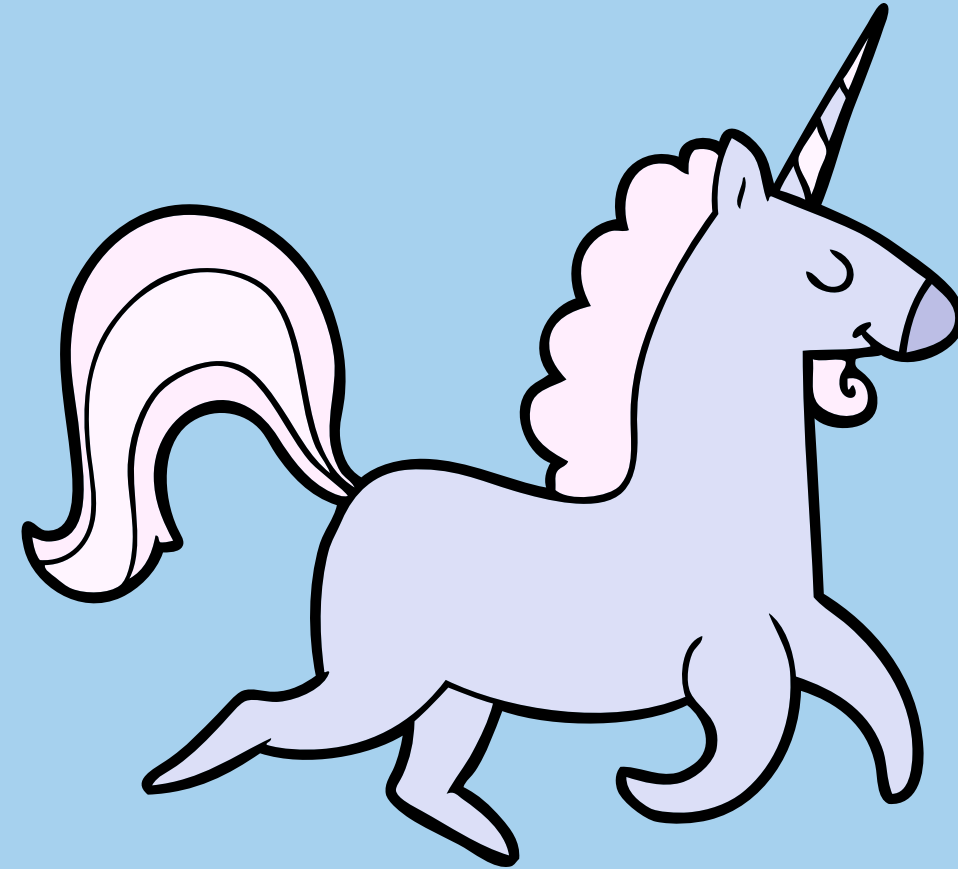

Sometimes we take a look  
At pictures in my book.

In it there's a unicorn  
Who sometimes looks forlorn.

One day she had colic.  
She couldn't run and frolic.

But mostly she is fine.  
She can strut in a straight line.

She looks just like a rainbow  
And you should see her go!

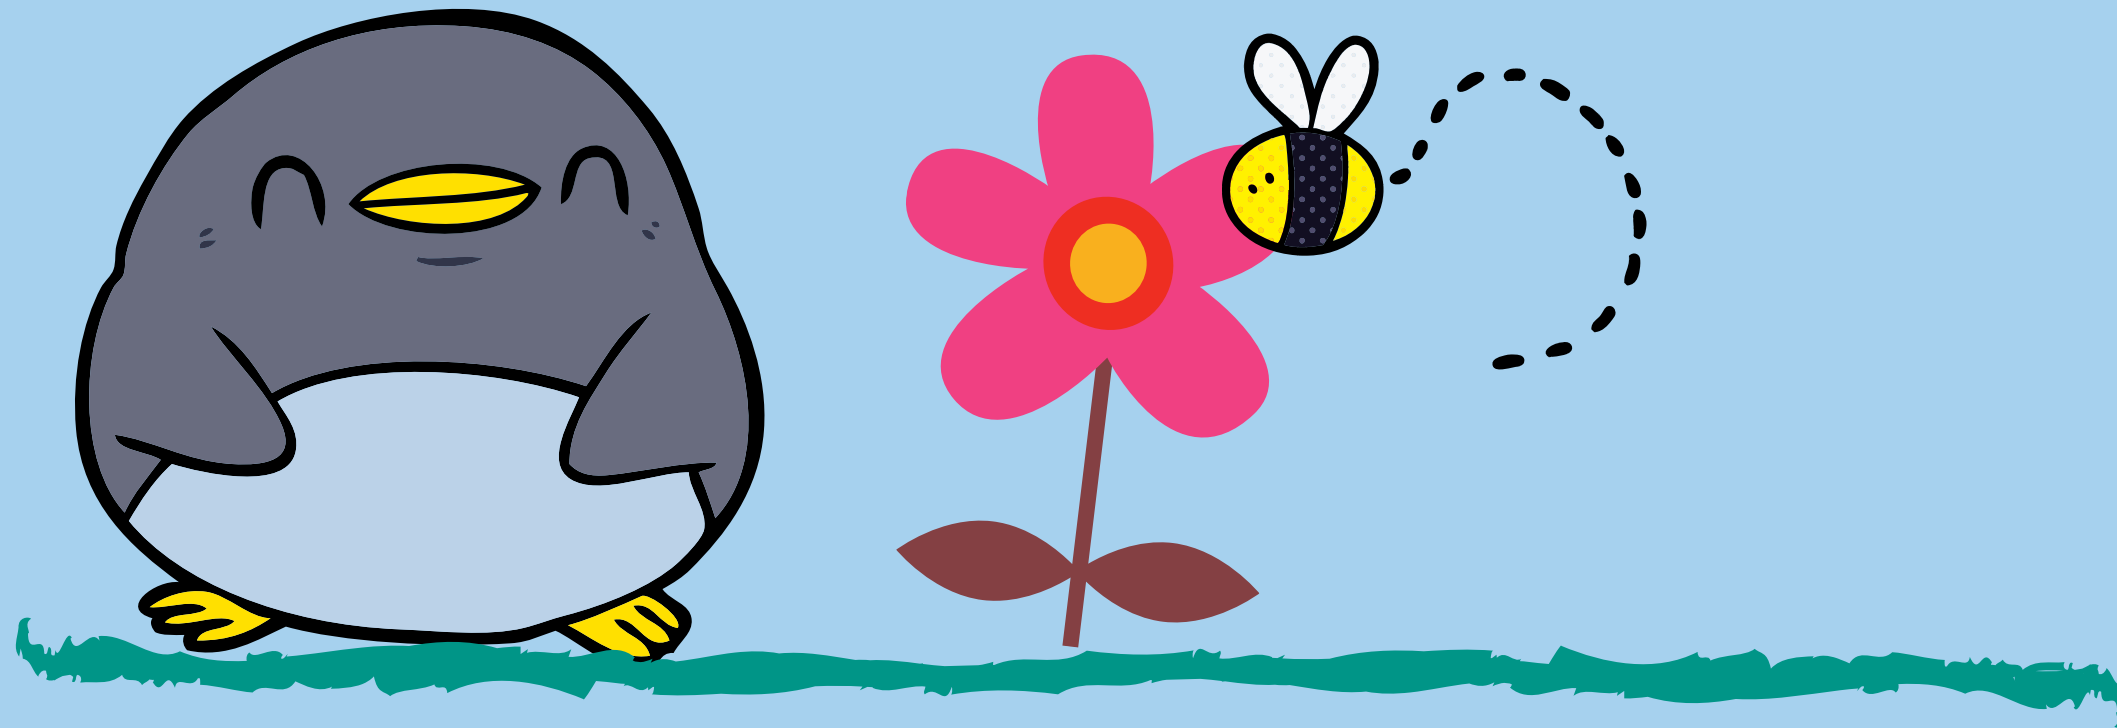

When she sees a stump  
Oh how she can jump!

At night I go to bed  
And see pictures in my head.

My unicorn is there  
While I hug my teddy bear.

And then before I pray  
I think about my day.

I've been busy as a bee.  
I'm so happy to be me!
