## Tutors, Mentors & Friends

Since 1989, **thousands of children across the country have improved their skills and discovered the joy of reading** with support from Oasis tutors. Oasis Intergenerational Tutoring is a volunteer program that pairs older adults with children in grades K-3 to work one-on-one each week as their tutors, mentors and friends. *Oasis tutors use a six-step approach to literacy designed by educators that emphasizes improved reading, speaking, listening and writing.*

**“I can see a change in the students as they get better at reading and gain confidence. This is an opportunity to bring yourself into the life of a child in a powerful way.”** – Linda Shead, Oasis Tutor
